

DOWNLOADING + SHARING VIDEO

Showing your congregation videos about HOPE Packs and about Elim provides them a visual connection to both groups of people being impacted by their generosity. We have provided you with four videos for you to use in the weeks leading up to your HOPE Packs drive. Please show each video in order, once per week. For more details on how to use these videos (or for alternative schedules), see [this document](#). These videos were created to show the entire process of HOPE Packs and share the voices of those involved.
